PRINCIPAL'S SCHOOL ANNUAL REPORT 2025-26 **Maharishi Vidya Mandir**

The current academic session is a momentous occasion for Maharishi Vidya Mandir, Hyderabad as it proudly concludes its silver jubilee anniversary during this current academic session 2025-2026

Affiliated to the Central Board of Secondary Education, the school focuses on supporting all students to reach their full potential academically, socially and emotionally and to achieve all round development. The staff are highly committed, dedicated, proactive and adopt a wide variety of innovative teaching practices.

The school commenced operations in the year 2000, with a strength of 250 plus students in the first year of establishment. Over the years the school steadily grew in strength, thanks to the support by the parent community, and has now reached its optimum capacity of 3500 plus students.

MVM Hyderabad continues to be ranked NUMBER ONE among the 150 plus Maharishi Vidya Mandir schools in the country for the 14th consecutive year since inception of the award, bagging the best school award under the Senior Secondary Category.

On this occasion, we wish to thank each and every parent of the school for their unstinted cooperation and support all these years and also the present and former students of the school, but for whose achievements, we would not have attained today's success. And our sincere appreciation for all the teaching and non-teaching staff members and support staff of the school for their dedication and hard work.

ACADEMIC PERFORMANCE

Maharishi Vidya Mandir, Hyderabad had its first batch of students appearing for AISSE in the year 2002 and AISSCE in the year 2015. Since then, the school has been achieving 100% pass percentage with a significant number of the students securing distinctions. Many of the school's past students have attained great heights in their academic and professional carriers. **The students of the school have also excelled in the Olympiads conducted by Maharishi National Olympiad and other selected institutions.**

The school's curriculum presently includes additional subjects like Computer Science (Class III to V), Artificial Intelligence (AI) (Class VI to X), and Yoga (Class XI & XII) and additional languages Sanskrit (Class I to VIII) & Telugu (Telangana) (Class I to X).

SPORTS

The students are always encouraged to take part in various sports activities at the school. Many of our students have participated in various events and have won laurels for the school at the District, State and National Levels.

The school has vast play ground and dedicated timings are set apart for the students to practice sports activities like, hand ball, basketball, throw ball, Shot-put, football, KhoKho, athletic events like 100 to 800 meters running, high jump, long jump etc. Besides, students practice and enjoy indoor games like carrom board, chess etc.

Nursery to V standard students have fun game activities, drill activities, including motor skills.

CO CURRICULAR ACTIVITIES:

The school teaches and encourages the students to participate in various extracurricular activities besides sports like Music, Dance, Art, Bhagwat Gita chanting. Sloka recitation etc. We are indeed very proud to state that our students have been bringing laurels to the school at the various competitions they participate. The school has dedicated teachers for Music, Dance, Art & Craft and Sports.

The students of Class I up wards are divided into four ashrams namely Vashist, Vyas, Parashar and Narayan. The students will be encouraged and motivated to participate in different activities, ashram wise.

The school celebrates various festivals and events and a detailed report on the activities are regularly shared with parents through Google classroom.

NCC: Our school is associated with National Cadet Corps offering opportunities to our students to join Army and Air Wings. We have participation of our boys and girl students from class VIII.

ACADEMIC CALENDER: We will be sharing on a regular basis the details of various activities, both academic and extracurricular.

MAHARISHI CONSCIOUSNESS BASED EDUCATION:

MVM Hyderabad has been a pioneer in implementing Maharishi Consciousness Based Education concept in to the school curriculum and has achieved successful results. This concept was propounded by **His Holiness Maharishi Mahesh Yogi ji** and is followed across all the Institutions founded by Maharishi ji.

It makes the students to understand the concept of total learning and have the knowledge for life time rather than from the exam point of view only. Maharishi Consciousness Based Education creates peaceful and positive ambience and gives at home feeling for all the students, by laying emphasis on 'learning by doing' method.

Maharishi Consciousness Based Education concept comprises the following salient features:

- ξ Course over view chart
- ξ Wholeness of the lesson
- ξ Main points
- ξ Handouts and supporting material
- ξ Wall charts and suitable teaching aids
- ξ Analysis and synthesis
- ξ Summary by the teacher
- ξ Summary by the student

- ξ End of Class summary
- ξ Unified Field Chart
- ξ Review of the day
- ξ Review of the week
- ξ Enlightened presentations
- ξ Ideal Class routine
- ξ Consciousness Based teaching techniques
- ξ Pure healthy food
- ξ Vigorous exercise through sports
- ξ Well planned homework procedures
- ξ Early bed time
- ξ Stable, predictable, systematic and reliable routine
- ξ Role and responsibilities of teachers and students
- ξ Standards of ideal behavior in the classroom
- ξ Science of creative intelligence and culture
- ξ Key principles of ideal teaching
- ξ Key principles of ideal communication and behavior
- ξ Standard features and sequence of every class at the invincibility schools
- ξ Organization for a good presentation
- ξ Components of an ideal presentation
- ξ Well planned examination and grading

To conclude, we would like to reiterate, Maharishi Consciousness Based Education concept is really a great tool for making teaching learning process perfect and successful, and for all round personality development of the student.

TRANSCENDENTAL MEDITATION & YOGA

As you are all aware, H.H. Holiness Maharishi Mahesh Yogi ji, founder of Maharishi group of institutions, gave the wonderful gift of Transcendental Meditation technique to the world. TM is practiced by millions throughout the world. The school gives importance to regular practice of Transcendental Meditation and Yoga by all the students and staff members. Students of LKG to V practice walking meditation and Yoga and those from Class to VI to XII practice TM along with advanced technique of TM Siddhi and flying sutras, besides Yoga.

We strongly recommend our parents and their family members to get initiated to Transcendental Meditation through our TM teachers. We would be happy to provide the details to willing parents.

OLYMPIADS & OTHER ACHIEVEMENTS

➤ MISS PANUKIRTHANA, XII A of Maharishi Vidya Mandir, Hyderabad authored the book titled '**DURYODHANA THE OTHER SIDE OF MAHABHARATA.**' The Kindle version was published in April 2025 under the pen name '**NIVASINI**

This book is a first-person mythological retelling of the Mahabharata, narrated through the eyes of Duryodhana, the most misunderstood prince of the Kuru dynasty. Far from the one-dimensional villain of popular retellings, Duryodhana emerges here as a complex figure shaped by palace intrigues, bitter rivalries, deep loyalties, and crushing betrayals. The story follows his journey from childhood to the final days of the Kurukshetra War, exploring his bond with Karna, his clashes with the Pandavas, the famous game of dice, Draupadi's humiliation, and the relentless march towards war. Rooted in scriptural accuracy yet rich with emotional depth, this is the untold side of the epic; the fall of a man who fought, not merely for power, but for the world as he believed it should be.
