Subject: Regarding Maharishi National Olympiad (MNO) – 2022

Respected Sir/ Madam,

This is regarding Maharishi National Olympiad (MNO) to be held in from 22 to 26 November 2022. The following salient points are brought to your notice: -

- The main objectives of Maharishi National Olympiads are –
  - To develop full mental potential of the students in a natural manner.
  - To maximize the ability to perceive, evaluate, think, act and thereby prepare themselves for the competitions ahead.
  - To make the students more creative, more energetic and faster thinker.
  - To train students to take their academic competencies towards excellence.
- Registration for Maharishi National Olympiad will be open for all students of MVM Schools.
- It is hoped that all the students will suo-moto register themselves, for MNO when being informed about the same. However, please request all the class teachers and other teachers to motivate the students for registering them in large number.
- Eligibility**- Students of classes from V to XI.
- Registration Fee**- Rs 150/- per subject, per student.
- Mode of payment of registration fee** - Students will deposit the fee in cash to their class teacher and will be given a receipt for this. The MVM Schools receipt books will be used for receiving fee for MNO 2022 and the total fee amount will be deposited in "Maharishi Vidya Mandir National Receipt Account". Details of this bank account is already available with the school office.
- Mode of Examination**- The MNO 2022 will be organised in offline mode and for this, the 'Pen-paper' method shall be used. In this method, participants will be given a "Question cum answer booklet" on which they will be required to write or mark their answers in the space given below each question.
